Formative 7-9 feedback

by [Karen Outram](#) - Thursday, 17 July 2025, 12:07 PM

Hi Students,

Here is some key feedback below regarding the main points [as a top up from the collaborative 1 feedback]:

Keep the critical aspects of discussion occurring

For referencing avoid N.D. as there are plenty of references out there with author and date

In all instances your reference list must be in alphabetical order

In all instances give full responses regarding your posts, and add citation and reference lists as the intention is these are excerpts that turn into critical portfolio artefacts

Keep in mind that these are formal academic discussions to contribute to your e-portfolio's at the end of study

With best wishes

Karen
